Bed Endowments.

THERE IS NO BETTER OR MORE APPROPRIATE WAY OF PERPETUATING THE MEMORY OF A DEPARTED RELATIVE OR FRIEND THAN THE ENDOWMENT OF A BED. IT IS THE HIGHEST FORM OF BENEFIT CONFERABLE UPON THE HOSPITAL, AS IT ENSURES A PERPETUAL INCOME TO CARRY ON A GOOD WORK.

£1,000 WILL ENDOW A BED IN PERPETUITY.

ANNUAL SUBSCRIBERS.

IMPORTANT NOTICE.

YOU CAN HELP the Hospital by completing a Deed of Covenant for the payment of your subscription for a period of not less than SEVEN years in order that the Hospital may recover Income Tax on your subscription.

All that it is necessary for you to do is to be good enough to complete a form similar to the one shown on the opposite page and send it to the House Governor, General Hospital, Nottingham, and to sign annually upon request a certificate of deduction of Tax.

In case of death of a subscriber within the seven years, the agreement becomes void and does not create any charge on his estate.

The following Table shows the advantages which will accrue to the Hospital assuming the current rate of Income Tax (i.e. 5/6) is maintained.

On an Annual Subscription of	Income Tax would be recovered by the Hospital to the amount of (at 5/6 in the £1)	Making the Subscriber's gift to the Hospital each year :—

RETIREMENT OF MR. P. M. MacCOLL.

The Governors are aware that Mr. P. M. MacColl retired from the position of House Governor and Secretary of the Hospital, in May last, after thirty-one years' service. During the time Mr. MacColl was connected with the Hospital there has been considerable expansion of the Hospital Services, which greatly increased the responsibilities of administration of the Institution.

REPORT OF THE MONTHLY BOARD.

The Board wishes to take this opportunity of placing on record its deep appreciation of the patient and tactful manner in which Mr. MacColl carried out his onerous duties during this long period, and feels sure that it is expressing the wish of all that Mr. MacColl may live long to enjoy his retirement.

The position of House Governor and Secretary has been filled by Mr. H. M. Stanley, who has held the post of Assistant Secretary of the Hospital for the past thirteen years.

PAY BED WING.

The Pay Bed Wing is now occupied, and the Board is of the opinion that the erection of this Wing will meet a long felt need in the Medical Services of the City and County. After an informal opening on April 12th, 1938, a brief, but impressive Ceremony took place of unveiling a Commemorative Tablet to the late Lady Charles Bentinck who, as President of the Women's Council of the Scheme, inaugurated a Fund which raised over £4,262. The Tablet was dedicated by Rev. Canon Henry B. Lee, M.A., and was unveiled by the Marchioness of Titchfield. The regret of all was expressed at this Ceremony that Lady Charles was not spared to see the work completed which she so nobly began.

NURSING STAFF.

The Nursing Staff have rendered loyal and efficient service, and your Board is proud of a Staff whose devotion to Duty is beyond praise and whose whole-hearted co-operation has contributed so largely to the comfort and well-being of the patients. The Board has given consideration during the year to the vexed question of hours of duty and conditions of service, and it is its desire that those who join the Nursing Profession should not only have an efficient training, but should live in an atmosphere of comfort and happiness, with facilities for healthy recreation.

The hours of duty have been reduced, but to reduce them still further will necessitate the engagement of additional Nurses. The Nursing Profession is one of the very few in which the present demand is greater than the supply. This is due very largely to the expansion of Hospital Services throughout the Country, and

the consequent need for additional Nursing Staff. For this reason, the Hospital is unable to obtain an adequate number of Nurses, and it has been decided to appoint Women Orderlies to assist in the Wards.

ACCOMMODATION OF THE NURSING STAFF.

In view of the necessity to engage more Nurses, referred to in the previous paragraph, and to provide accommodation for the Nurses who will be required for the proposed new Women's Accident Ward, the Board has decided that an annex to the Nurses' Home shall be erected on the St. James's Church Site. Plans are in course of preparation, and in the building, accommodation is to be provided for sixty Nurses and twelve Maids. Provision is also being arranged for a recreation room for the Nursing Staff, with a stage and dressing rooms for Amateur Theatricals, and sufficiently large to allow of a Badminton Court. It is hoped that the building will be commenced in the near future.

CONTRIBUTORY SCHEME.

The Board views with concern the tendency of the expenditure of the Hospital to increase at a more rapid rate than the income, and with a view to raising additional income to maintain the present number of beds and to provide the necessary income for the proposed additional beds for the Women's Accident Ward—so urgently required—the Board has considered the question of adopting a Contributory Scheme, on lines similar to those adopted with great success by other Hospitals in the provinces. Full details of the Scheme have not yet been decided upon, but it is felt that by extending the scope of the Hospital Saturday Organisation to include not only employees of the large firms, but employees of the smaller firms and shopkeepers—in fact, all firms who do not contribute to the Saturday Fund—a substantial sum could be raised, which would ultimately go far towards solving the problem of the maintenance of the Hospital. In the event of a scheme being adopted, it has been suggested that the amount collected

REPORT OF THE MONTHLY BOARD.

shall be apportioned to the Institutions which at present benefit under the Hospital Saturday Fund at the same ratio as in previous years.

This matter is to be considered at a Meeting of the Hospital Saturday Delegates and others interested, to be held later in the year, and the Board hopes that as a result of this Meeting the income of the Hospital will be materially augmented.

The Board feels that in view of the excess of expenditure over income for the past few years caution should be exercised before commencing to build an additional ward for female cases until an increase in the income is assured.

HOSPITAL SATURDAY FUND.

The Hospital has received the sum of £16,000, from the Hospital Saturday Committee, on account of the collections made in workshops, factories, collieries, etc., since the beginning of the year. This is £2,000 more than the amount received up to the same date last year, and the Board wishes to extend to the Hospital Saturday Committee and Delegates, and indeed to all those who subscribe through this Fund its deep gratitude for this great financial help.

HOSPITAL SUNDAY FUND.

Collections on behalf of the local Charities were taken in the various Churches and Chapels in the City and County on Hospital Sunday, February 6th, the total amount received being £1,933 19s. 4d.

After deducting expenses and amounts earmarked for other Institutions, the General Hospital received £1,488 15s. 8d. This is £75 more than the amount received in 1937, and the Board records its sincere thanks to the Clergy, Ministers, Delegates and others who have in any way contributed to their fund.

UNIVERSITY COLLEGE STUDENTS' "RAG."

The Board again records its gratitude to the Students of University College for the sum of £840, being the amount allocated to the Hospital as a result of the Students' "Rag" held in April last. This generous donation completes the endowment of the

REPORT OF THE MONTHLY BOARD.

18th bed in the University Ward and the Students are to be congratulated on the splendid result of their untiring efforts. The Board realises the great amount of work which the organisation of the "Rag" entailed, and it expresses thanks to all those who in any way took part. In view of the fact that there are now only two beds remaining in the University Ward to be endowed, the Board regrets that it has been decided not to hold a further "Rag," and earnestly hopes that the Students will consider adopting some other method of raising money on behalf of the Hospital.

WHIST SHIELD COMPETITION.

In May last the Hospital received the generous donation of £700, as the result of the Whist Drives and Dances organised by the Committee of the Whist Shield Competition. While this is £150 less than the amount received last year, the Board recognises that this is in no way due to the slackening of the energies of the Organisers, but due to the shorter period over which the Whist Drives, etc., were held. The Board extends its sincere gratitude to all who assisted in raising this sum.

ALTERATION TO RULES.

The Board proposes to recommend an alteration to the Rules concerning the constitution of the Medical Committee, and a Resolution to this effect will be placed before the Governors at the Meeting on October 26th.

POST GRADUATE COURSES FOR MEDICAL PRACTITIONERS.

The Governors will be interested to know that the Ministry of Health has asked that two Post Graduate Courses for Panel Practitioners should be organised in Nottingham, the Headquarters to be at the General Hospital. The Board feels that this is a compliment to the Honorary Staff of the Hospital. The first of these Courses was held in May last, and was much appreciated by those who attended.

SPECIAL DONATIONS.

The Board has pleasure in reporting that the employees of the Stanton Ironworks have given a special gift of £1,000 to the

REPORT OF THE MONTHLY BOARD.

Chairman's Wireless Appeal for the Extension Fund. This money was raised by an additional levy of 1d. per week during the past year. The Board desires to record its gratitude for this generous donation, which is evidence of the great interest taken in the Hospital by the large body of workers employed at the Stanton Ironworks, and may be taken as appreciation of the work done on their behalf.

The Board is pleased to inform the Governors that a gentleman, who wishes to remain anonymous, has given a donation of £1,000. The Board's thanks have been conveyed to him, and desires to place on record its warm appreciation of his generosity.

FLAG DAY.

Up to the preparation of this Report the Hospital has received the sum of £681 12s. 4d., as the result of the Flag Day Collections taken in the City on June 25th.

The Board wishes to record its deep gratitude to the Officers, Organisers and others who assisted in this effort, and to the public for their generous donations.

CINEMA HOSPITAL EFFORT.

The Board has pleasure in reporting the receipt of a generous donation of £262 10s. 0d. from the Notts. and Derby Branch of the Cinematograph Exhibitors' Association. This is the result of a Cinema Effort on the part of the Members of that Association, for Charitable purposes, and the Board records its warm appreciation of the gift.

BED ENDOWMENTS.

In addition to the Bed endowed by the University College Students, already referred to, the Board has pleasure in reporting, that under the Will of the late Miss A. M. Thorpe, a cheque has been received for £1,000, which will be invested to endow a Bed in memory of her twin sister, Miss S. Agnes Thorpe.

It is also pleasing to report that the Long Eaton Co-operative Society have agreed to endow a Bed in the Hospital, as a mark of esteem of their retired Manager, Councillor L. Pattison.

REPORT OF THE MONTHLY BOARD.

A further Bed has been endowed by a Legacy of £1,000, bequeathed to the Hospital by the late Miss M. A. Fryar. The Bed is to be known as "The John William Fryar Bed."

LONG EATON CARNIVAL.

Although the result of the Carnival, held in Long Eaton last month, for the benefit of the Notts. and Derbyshire Medical Charities is not yet known, the Board believes that the effort was very successful, and hopes to receive a substantial amount from the proceeds before the end of the year. It is very gratifying that the public of Long Eaton recognise the great benefits they receive from the Medical Charities of Nottingham, and the Board greatly appreciates their efforts to help the Institution by raising money in this way.

EGG WEEKS EFFORT.

During the year the Hospital has received 127,186 Eggs and £94 0s. 6d. in cash from the towns and villages working under the Hospital Egg Week Committee. This result reflects the greatest credit upon those who have been responsible for the organisation of the collections. The Hearnshaw Challenge Cup has been won (for the third time in succession) by the village of Bleasby, which has contributed 7.3 eggs per head of the population. The Board wishes to congratulate and thank the organisers for the excellent result of their efforts, and to express appreciation of the valued help given by Mr. S. T. Read, as Chairman of the Egg Weeks Committee. The number of eggs collected exceeds last year's total by 8,551, and £17 more money has been received.

POTATO WEEKS SCHEME.

This Scheme, which is organised to provide the Hospital with Potatoes, Fruit and Vegetables, has entered upon its 17th year, and the Board wishes it every success. In addition to the receipt of potatoes, vegetables, etc., numerous quantities of groceries are usually received, which are most welcome and assist considerably in giving variation to the diet of patients and staff. The Board records its thanks to the growers, collectors and

REPORT OF THE MONTHLY BOARD.

organisers, and to all who have assisted in the transport of the goods, and particularly to the Chairman, Mr. C. Taborn, and the Vice-Chairman, Mr. J. Birkin, for their untiring efforts to help the Hospital in this way.

BLOOD TRANSFUSION SERVICE.

Of the many who assist the Hospital in its work, none are more deserving of thanks than those who offer themselves as donors of blood in an endeavour to save life. During the year, ninety-four transfusions were carried out. Unfortunately, the Blood Donors' List is small, and an appeal is made to both men and women to offer themselves for this noble service. The more volunteers there are, the greater will be the usefulness of the service and the fewer will be the calls on each donor. In numerous cases the giving of a blood transfusion has saved a patient's life.

PATIENTS' LIBRARY.

The Library Service, so willingly given by Miss C. E. Evans, Mrs. Wilkinson, Miss A. M. Gill and Miss K. M. Barrow, is a great boon to the patients. This service is deeply appreciated, and the Board acknowledges its indebtedness to these ladies who devote so much time to this excellent work.

THANKS.

The Hospital is dependent on so many people for its reputation, its work, and its support, that it is very difficult to single out a few for special mention, but the Board would like everyone who has helped in any way to know that such assistance and service is greatly appreciated. This report cannot be concluded before some of the most prominent helpers are mentioned and thanked for their special services. As hitherto, the first place must be given to the members of the Honorary Staff whose work is of paramount importance to the Hospital. The Board thanks all subscribers, donors and contributors for their financial support, which is the mainstay of the Institution, but the demands made upon the Hospital are ever increasing and the Board takes this opportunity of appealing to all sections of the community to remember the Hospital's great financial needs.

General Hospital, Nottingham.

Report of the Monthly Board

TO THE

ANNUAL GENERAL BOARD OF GOVERNORS,
Wednesday, March 22nd, 1939.

THE Monthly Board begs to submit to the Governors of the General Hospital the following information as to the number of patients who were treated in the Institution during the 12 months ending December 31st, 1938.

IN-PATIENTS.						1938.	1937

There were 36,737 X-Ray Photographs taken during the year, as compared with 31,619 in 1937.

Dr. J. Kilian Clarke, Pathologist, reports that during the year ending December 31st, 1938, approximately 18,000 Pathological, Bacteriological and Bio-Chemical Specimens were examined and reported upon.

Obituary.

It is with much regret that the Board has to record the death of Mr. J. Baxter which occurred in October last. Mr. Baxter was a representative of the Hospital Saturday Committee on the Monthly Board for some years and was also a member of the House Committee. He attended the Meetings regularly up to the time of his last illness. The Board places on record its regret that the Hospital has lost in Mr. Baxter a loyal and devoted worker.

Work Achieved.

A comparison of the figures relating to the number of patients admitted to the Hospital during the past year with those of preceding years, shows how the work of the Hospital has increased. Ten years ago the number of patients admitted was 6,375. Last year 8,336 were admitted—an increase of 1,941.

These figures give a clear indication of the increasing demands made upon the beds of the Hospital and on the Medical and Nursing Services.

Re-Appointment of Honorary Staff.

The term of five years for which Mr. F. Crooks, Mr. J. Llewellyn Davies and Mr. F. C. Hunt were appointed having expired in September last, a postal vote was taken of the members of the Special Board for the Election of Honorary Medical Officers in accordance with the Rules, as a result of which these gentlemen were re-elected for a further term of five years.

Vacancy on the Monthly Board.

A vacancy having occurred on the Monthly Board, and acting on the authority of Rule 32, the Board has appointed Mr. Paul Granger to fill the vacancy. Mr. Granger has also kindly consented to serve on the Finance Committee.

Pay Bed Wing.

The Board is very pleased to report that although the Pay Bed Wing has not yet been open for twelve months, statistics show that this Wing has proved of great benefit to the public of Nottingham who have availed themselves of the services which are provided.

Hospital Saturday Fund.

The Board records with gratitude the receipt during the past year of £32,285 from the Hospital Saturday Fund. This sum includes contributions from work-people in the city and county and also certain Annual Subscriptions and Employers' contributions paid through that Fund, together with the amount collected on Flag Day.

The Governors will be interested to know that the total received from the Saturday Fund is £1,418 more than was received in 1937, and the Board desires to emphasise its great appreciation of the continued efforts of the Hospital Saturday Committee and the numerous delegates and contributors, and to express once again thanks for the substantial financial help thus rendered to the Institution.

The Board is pleased to know that at a meeting of the Hospital Saturday Delegates held in November last it was agreed that the Executive Committee should be authorised to prepare a Contributory Scheme on the lines similar to those laid down by the British Hospitals Contributory Schemes Association. Details of the Scheme have not yet been approved by all concerned, but it is hoped that the adoption of such a scheme will very materially increase the income of the Hospital.

Hospital Sunday Fund.

Collections in aid of the Local Medical Charities were taken in the various places of Worship in the City and District on Sunday, February 5th. The result of such collections is not yet known as the Fund is still open, but it is sincerely hoped that the increase in the collections shown last year will be more than maintained.

Annual Ball.

This popular Function took place at University College, on Friday, December 16th, 1938, as a result of which the Funds of the Hospital have benefited to the extent of £466 9s. 6d. This sum exceeds the amount received last year by £110. The Function was an outstanding success both from a social and financial point of view, and the Board desires to express its grateful thanks to the President, Mr. W. Dawson, for his generous contribution to the Ball Funds ; to the Honorary Secretaries, Mr. G. Thornton Simpson and Mr. H. R. Munt for their services in connection with the organisation of the Ball, and to the Stewards who materially helped to make the Ball such a success by the sale of tickets and in other directions.

Motor Fund.

This Effort on the part of the motoring public of the City and County completed its eleventh year on December 31st last and realised £404 11s. 0d. after payment of all expenses for printing, postages, etc. This is an increase of £38 over the amount received in 1937 and is the largest amount raised in any one year since the Fund was inaugurated. The Board is grateful to those motorists who assist the Fund by purchasing a fresh Badge each year.

The Governors will be interested to know that Sir Albert Atkey has kindly consented to act as Chairman of the Motorists' Fund

Committee, and he is hopeful that the amount raised in 1939 will considerably exceed the amount received previously.

The Board feels that there are many motorists who could well afford to help the Hospital by purchasing one of the Badges which are on sale at most garages and at the Hospital, and it is hoped that those who have not supported the Fund in the past will do so this year. The prices of the Badges are as follows :—

Private Car	5/-
Commercial Vehicle and Motor Cycle				2/6

Sub-Postmasters' Effort.

The Governors will be interested to learn that the Sub-Postmasters in Nottingham and the immediate neighbourhood assist the Hospital very materially by securing collections from their customers. The Sub-Postmaster whose box produces the highest amount each year is presented with a Silver Cup, kindly given by Sir Thomas Shipstone in 1921. The total amount received from the Post Office Boxes in 1938 was £129 2s. 6d. and if the total amount received during 1939 reaches £140 the Chairman of the Board has promised to give three prizes to the three highest collectors.

Linen Guild.

The Officers and Members of the Linen Guild continue to work enthusiastically on behalf of the Hospital. Last year goods to the value of £365 3s. 4d. were purchased. This cost would otherwise have fallen on the Funds of the Hospital. The Board wishes to record its thanks to the Committee and members of the Guild for the valuable help rendered to the Institution in their efforts to supply the Hospital with linen.

Accommodation for the Nursing Staff.

The Governors will remember that at the Anniversary Meeting held in October last, reference was made to the need of additional accommodation for the Nursing Staff, and the Board has now to report that a limited competition amongst selected Architects for the preparation of Plans was arranged and an independent Assessor appointed.

The Assessor awarded first place to Messrs. Evans, Clark & Woollatt and, on his recommendation, the plans submitted by this Firm have been accepted. It is hoped that building operations of this annex to the Nurses' Home will be commenced in the near future. In the meantime, arrangements have been made to rent a house in Park Terrace to accommodate a number of Nurses until the new building is completed and ready for occupation.

Hospital Calendars.

With a view to drawing the attention of those people who are about to make a Will to the financial needs of the Hospital, the

Board has purchased a number of attractive Calendars reproducing a photograph of a section of the Hospital, for distribution amongst the Solicitors and Bank Managers in the City and County. The Board hopes that this method of propaganda will have far reaching effects, and be the means of bequests being made to the Funds of the Hospital. Your Board are pleased to report that the Effort has received the support of the Solicitors and Bank Managers in the city, and thanks are expressed to them for their offer to help the Hospital by displaying the Calendars. It is further gratifying to report that a member of the Board has kindly defrayed half the cost of these Calendars.

Potato Weeks Scheme.

This Effort to supply the Hospital with Potatoes and Vegetables has completed its seventeenth year. During last year forty-three tons of Potatoes were grown and handed over to the Hospital, in addition to which large quantities of vegetables and fruit were received together with cash donations amounting to £57 10s. 9d. The Board records its gratitude and thanks to the various growers and organisers for their generous help and support, and to Mr. C. Taborn (Chairman) and Mr. J. Birkin (Vice-Chairman) for their untiring efforts on behalf of the Scheme. Most of the consignments were transported to the Hospital free of charge, and the Board wishes to express thanks to all who have helped in this way.

Endowment of Beds.

The Board has great pleasure in reporting that Mr. W. H. Hirst has very generously made a donation of £4,000 for the purpose of endowing four beds in the Hospital in memory of his Father and Mother, William and Frances Hirst. A gentleman who wishes to remain anonymous has also given £1,000 to endow a Bed in memory of his Mother. The Board takes this opportunity of once again expressing grateful thanks to these benefactors for the valuable assistance rendered to the Hospital in this way.

It is also with gratitude that the Board acknowledges receipt of cheque for £500 from the Nottingham Co-operative Society. This sum completes the endowment of the first Bed, and the Board is pleased to report that it is the intention of the Society to proceed with the endowment of a second Bed.

Road Traffic Act.

It will be seen from the Accounts submitted with this Report that during the year the Hospital received £1,649 in respect to cases treated at the Hospital as the result of Motor Accidents. The total number of Motor Accident Cases treated during the year 1938 was 956, of which 468 were admitted as In-Patients. The cost of treating the latter alone was approximately £3,400.

The Board would like the Governors and Subscribers—whether Motorists or not—to understand that under the Provisions of the Road Traffic Act, the Hospital is only entitled to make a claim in cases in which a payment is made to the injured party or to his or her representatives by the owner of the vehicle involved in the accident, or the Company insuring the same. The result of this means that the Hospital receives payment only in about 35% of the cases admitted as In-Patients.

Finance.

There is an excess of Expenditure over the Income for the year of £4,027, the total Expenditure being £81,459, as compared with £78,462 in 1937.

The Income for the year was £77,432, as compared with £73,016 the previous year. Several factors have attributed to the increase in Expenditure. The number of In- and Out-Patients treated has considerably increased, and as the Hospital extends and introduces new methods of treatment so must the expenditure increase. Economy compatible with efficiency is exercised, but year by year the Hospital is called upon to give more service, and these extensions of the Hospital's usefulness are only made possible by the loyal assistance of supporters throughout the district served by the Institution. It becomes absolutely necessary, therefore—if the Board is to avoid deficits in the future—that considerable additional maintenance income is secured, and an urgent appeal is made to the public for help. Annual subscriptions, donations, bequests, endowments, and the promotion of special efforts are ways in which the charitably-minded can assist. The Board is confident that if the public realises the great financial needs of their Hospital, the additional income required will be forthcoming.

Thanks.

It is impossible to enumerate in this Report full details of the generosity and interest which continues to be shown in the welfare and progress of the Institution, but the Board wishes to make special reference to the services rendered by the Honorary Staff for their skill and devotion to the patients. To Annual Subscribers, donors, organizers, and helpers at Entertainments, the Whist Shield Committee, the University College Students, the Egg Weeks Effort and Potato Weeks Effort, the *Nottingham Journal* and *Nottingham Guardian* (for Daily Papers) and to collectors of Tin Foil, and indeed to all who have assisted the Hospital in any way, the thanks of the Board are warmly accorded.

Legacies and Donations.

The Board acknowledges with gratitude, the following Legacies and Donations of £50 and upwards, received since the beginning of the year :—

GENERAL HOSPITAL, NOTTINGHAM.

REPORT OF THE MEDICAL COMMITTEE

To the Governors, 22nd March, 1939.

During the past year the work of the Hospital has been carried on with increasing activity in all Departments. The growth of the population, the advance in the spread of Medical and Surgical knowledge, and the existence of apparatus available for diagnosis and treatment mean an ever increasing demand on Hospital Services.

In the year 1938 there has been an increase of 527 admissions to the Hospital Wards, and 23,445 more attendances at the Out-Patient Department, as compared with 1937.

The pressure on beds is ever increasing. As hitherto, it is greatest on the female side of the Hospital. The need of the proposed additional wards for the accommodation of Women's Medical Beds and Female Accidents is a matter of great urgency. At the present moment Women's Accident Cases are scattered in various wards. This is unsatisfactory.

An outstanding event of the year has been the opening of the Pay Bed Wing. This well equipped building has proved itself of inestimable advantage in carrying on Hospital work. Eight hundred patients have already been admitted to its wards. By the provision of this new Wing a considerable number of beds have been liberated in the free wards of the Hospital. Much appreciation has been expressed by patients who have been admitted there. Our very warm thanks are due to those whose generosity has made possible the provision of the valuable extension of the Hospital.

The work of the Fracture Clinic continues to increase rapidly. The Clinic is one of the largest in the country. In 1938 the new cases totalled 3,979, whereas in 1936 the number was 3,315. During the year a Registrar has been appointed to this Department, which will greatly facilitate the work.

The work of the X-Ray Department is increasing rapidly. The cases examined in 1938, were approximately 3,000 more than in 1937. The time of the radiographers has been fully occupied. The X-Ray Therapy Department is equipped with the latest type of shock-proof Deep X-Ray Therapy Apparatus ; provided by the Nottingham Branch of the British Empire Cancer Campaign. In 1938, 337 new patients were treated, and further courses of treatment were given to 94 patients. An important feature is the follow-up Clinic where patients are examined periodically up to ten years after their treatment. This Department is also equipped with modern shock-proof apparatus for superficial X-Ray Therapy.

We gratefully acknowledge the generosity of Mr. R. A. Shipstone, who has presented the Hospital with a Gastroscope. This instrument is one of the latest aids in the early diagnosis of gastric disorders, and will be of great help to patients suffering therefrom.

W. T. ROWE,

Chairman of the Medical Committee.

A. M. WEBBER,

Hon. Secretary of the Medical Committee.

"THE CEDARS" BRANCH OF THE NOTTINGHAM GENERAL HOSPITAL.

ANNUAL REPORT FOR THE YEAR 1938.

"The Cedars" Committee beg to inform the Monthly Board and the Governors of the General Hospital that during the year 1938, 1,991 patients were admitted as compared with 1,871 in 1937, an increase of 120. The daily average number of patients for 1938 was 105.8, as compared with 107.1 the previous year.

The total expenditure for the year was £7,015, as compared with £6,993 the preceding year ; an increase of £22.

The deficit on the year's working amounting to £5,485 has been made up by a grant from the Funds of the General Hospital. In 1937 the grant was £5,446.

The Committee desire to place on record their deep appreciation of the various Concert Parties who have entertained the patients on several occasions during the winter months.

The vegetable garden and the poultry have still done well under the supervision of the Matron, and the Committee record their appreciation of her valued services and of the Staff generally.

(Signed) GERTRUDE F. SEELY,

Chairman.

Proposed Report of the Hospital Saturday Committee

TO THE

Monthly Board of the Nottingham General Hospital,

26th March, 1938.

THE Hospital Saturday Committee beg to present their Thirty-sixth Annual Report to the Monthly Board of the Nottingham General Hospital and have much pleasure in reporting that the amount collected through the Hospital Saturday Fund during 1937 reached a total of £35,084 1s. 5d., being an increase of £1,615 13s. 3d. on the previous year's collections.

It is hoped that not only will this high figure be maintained, but that the total of the Fund will increase year by year.

The preceding Report clearly indicates
that the Hospital is worthy of a mark
of your generosity and charity. Over-
leaf are a few of the ways in which
everyone, irrespective of financial or
social position, can help.

Please address your contributions and
offers of assistance to

*The House Governor & Secretary,
General Hospital,
NOTTINGHAM.*

HOW YOU CAN HELP.

1. Become an Annual Subscriber.
2. Send a donation on the anniversary of a memorable event in your life.
3. Endow a bed for £1000.
4. Remember the Hospital in your Will.
5. Encourage your employees to become members of The Nottingham and Notts. Hospital Saturday Contributory Scheme.
6. Organise a Concert, Whist Drive or Dance for the funds.
7. Send Gifts of Fruit, Vegetables, Eggs and Groceries.
8. Purchase a Hospital Motorist's Badge for your car.
9. Give generously on Hospital Sunday.
10. Speak well of the Hospital to your friends.
